The service next week will be conducted by
the Rev. Alistair Kennedy.

MALAWI

It is with great sadness we have been informed The Containers to Malawi scheme will finish at the end of this year with one more container going out. This has been an invaluable way for us to keep in touch with and support our village and the hospital in Ekwendeni. If you have any items we could send in the last container could you please leave them in the Minor Hall up to the middle of September and I will get them to the docks.

Items useful are crutches, Zimmer frames, rollators, sheets and towels for the hospital, men's suits for the theological college and any good quality clothing for Chaguwu. The village were also looking for carpentry tools.

Any questions contact me. (I will be away from 7th August to 8th September) Doreen 028 2074 1022

This is my Story, this is my Song

This is the last "This is my Story, This is my Song" until September.

We are thankful to all who shared a little of themselves with us over the past weeks.

Upcoming Events

Sunday School Summer Fun Day on Friday 16th August 2019

from 4pm-8pm at Goodwill Growing Charity Field, Giant's Causeway.

Come along and join us in a range of fun, messy indoor/outdoor activities, please wear suitable clothing and footwear.

For the purposes of catering arrangements there is a sign up sheet in the link corridor for those attending.

You may have noticed that the Sunday School are having their outing at the Goodwill Growing charity field at the Giant's Causeway.

Where and what is this?

Violet and Rosemary Hunter have planted 2 acres of sunflowers and 300 pumpkins on the family farm at 97, Causeway Road Bushmills in aid of 3 charities which are The Smiles Foundation Romania, Cancer research UK, and Laurel House Antrim. All monies raised will be split evenly between them.

Why sunflowers?

Six years ago when we made our 1st trip to Romania we were struck by the fields of sunflowers growing there and how they are such cheerful flowers we wondered could we try it, all be it on a much smaller scale. Over there they harvest the crop but as that didn't work for us we have decided to sell them off and give the proceeds to others who need it more.

This is where you come in, by mid August we hope the sunflowers will be in bloom and ready for picking, we invite you to come and enjoy and purchase as many sunflowers as you like or just wander through, take some photos and leave a donation.

By October the pumpkins should be ready and again come choose your own and leave a donation. Follow our story on Instagram and Facebook, just search for Goodwill Growing.
